Our company is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to present our products and services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

We do not collect any information except your email address so we can return a message to you when you have an inquiry. American Dream Stories does not share your information.

We do not accept payments on this website.

We receive and return email through our email provider:

[info@americandreamstories.com](mailto:info@americandreamstories.com) (a google supplied address)

Gmail has always supported encryption in transit by using TLS, and will automatically encrypt incoming and outgoing emails if it can.

Both sides of an email exchange need to have support encryption for it to work.

If you have an issue regarding ADS privacy please call Jeanne Scott at: 619-741-8010.
